HEALTH & SAFETY

Our agreement with the NRM is available from the end of October in electronic format and may be helpful in completing the schools version.

Details of the **Risk Assessment** is fully completed just before the event, but last years is also available electronically and will be much the same for the next event.

The event is fully covered and so should minimise your individual paperwork.

For details on the forms contact john.nikous@talktalk.net

Completed application forms should be sent by 18th January 2010 to:
