

TOOLS WTH A MISSION

(CharityNo:1104903)

During the Rotary International month of March we are asking members of the York Rotary or others to take part in a project to collect unwanted usable tools. We want you to have a rummage about in your shed or garage and have a look for tools that you no longer use/need and are prepared to give them to TWAM.

For those of you that are not familiar with the work of TWAM; TWAM collect, service, repair and **Build Trade Tool Kits** for distribution to Skills Centres globally, but especially to support sustainable livelihoods in Africa.

We have chosen to collect Hand Tools to build Trade Tool Kits to support skills training in four vocational categories.

Mechanics (Garage/Motor/Cycle):

Spanners, Socket sets, Spark plug, wheel brace, Allen keys, Tyre levers/gauges, wire brushes, Axle stands, Car jacks, Battery Chargers, jump leads, Foot pump, Drills and Drill bits, Screw H drivers, Pliers, Grips. Hammers, Oil cans, Hacksaw, Files, etc.

Electrical:

Screw drivers, Socket set, Pliers, Cable Cutters, Knives, Files, Allen keys, Drills and bits, Hacksaws, Hammers, Testers, Measuring tapes, Rawl plugs, Cable clips. Etc.

Plumbing:

Tap wrench, Wire brush, Drill and bits, File, Pipe grips and stilsons, Hacksaws, Hammers, Screwdrivers, Spanners, Soldering irons flux and solder, etc

Joinery/Carpentry:

Brace and bits, Drills and bits, Bevels, Bradawl, Chisels, Mallet, Hammers, Clamps, Files, Saws, Gauges, Knives, Oil and oilstone, Power tools, Spirit level, Hacksaw, Coping saw, Measuring tape, Gauge, Assortment screws, nails, rawl plugs, etc.

Tools can be handed in on all Rotary meetings during March or collected from Rotarian homes by prior arrangement.
